SEESA is a place for individuals 55+ to have fun, learn, share and join in activities that help keep us active and healthy.

At SEESA we're all about living life to the fullest, building relationships, seeking opportunity and adventure.

We are the place for joy, for fun, for learning and for sharing.

Our focus is the wholeness of a person, including diet and exercise, social connectedness, life-long learning and the ability to reach needed services.

Our activities are made available through class registration, club fees, donations, and general fundraising. However, we are thankful for the many generous and dedicated volunteers who share their talents and energy so that working together, we can achieve our mission:

To empower and enhance the quality of life of people in our community as they age

Come experience SEESA! YOU belong here!

THE INSIDE TRACK is a series of discussions involving members to understand and provide input on the 2022 budget.

Come and participate as we start to compile the 2022 budget. Your input and feedback is vital in determining the direction SEESA will take to remain financially viable and successful going forward.

In the first week of the series, the Finance Committee will provide an overview of the budget process including key cost and revenue streams, and what it will take to have a balanced budget.

The second round of the series will focus your ideas and suggestions that will help determine fees for 2022.

Your participation is important and encouraged as the budget impacts every member of the organization.

In the first week please plan on attending one of the dates below:

Monday, September 13 – 1:00 – 2:30
Wednesday, September 15 – 10:00 – 11:30
Wednesday, September 15 – 1:00 – 2:30
Thursday, September 16 – 1:00 – 2:30

The second round occurs on the following dates. You are welcome to attend one or both sessions:

Wednesday, September 22 – 10:00 – 11:30
Wednesday, September 22 – 1:00 – 2:30

Being a membership based organization, your participation and feedback is important! We want you to be involved in this important step of how SEESA will operate in the future.

CLASSES VS CLUBS

With all the activities going on at SEESA, it's hard to know what Class to take or which Club to join. We know we want to be involved and that there are a variety of programs to choose from, but sometimes we just don't understand the difference in the programs.

Classes require an instructor and members need to register for each class they take. The instructor charges SEESA a set fee to come in and teach our members a new skill. They are qualified in their trade and have special skills that allow them to lead a class that results in members acquiring a set goal. SEESA in return charges our members a set session fee to cover the overhead expenses of the centre. Some classes make enough money to cover the cost of instruction and some don't. Either way the cost is the same to all of our registrants no matter which class they choose to take. Member pricing refers to those who have paid the \$30 membership fee that helps support SEESA's everyday operations. Non-member pricing applies to those who have not become members of SEESA but would still like to participate in our classes.

Clubs on the other hand are created for fun and socializing. They are run by our members who become the Club Activity Liaisons. Participants who join a club don't need to formally register into a club activity. Clubs usually run all year long rather than having specific time frames. Clubs don't have an instructor—they are self run and self taught.

As we try to move away from having cash payments in the classrooms, we will now have a booklet of club activity tickets for sale at the front desk. Each person attending a club will have to buy the booklets prior to going to your activity. There will be booklets of 10 tickets available for the \$2.50 (1 hour clubs) and \$4.50 (longer than 1 hour clubs) drop

You belong here

ins for members as well as \$3 and \$5 booklets for non-members. When you go to the classroom the club liaison will take your appropriate valued ticket and mark your name off on the attendance sheet. It's that easy to use the ticket system instead of cash.

Join today

If you would like to have instruction in a class not offered, or would like to start a club that has not been thought of, please let us know. We are always striving to bring new and exciting programs to SEESA!

SESSION 6 FALL CLASS REGISTRATION

Our in person **Session 6 2021 Class Registration** will take place at SEESA **Wednesday, September 8**. The centre will open at **9:00 am** with members invited to mingle in the cafeteria until **9:15 am** when we will begin registration. We will be open to help members until **12:00 pm**.

The **Online Registration and Payment** system will open for registration **Wednesday, September 8 at 9:15 am** and will be available up until the day before the class starts. Go to our website at www.seesa.ca to find the classes you want to join then follow the instructions to register online.

Registration at the Front Desk and over the phone will begin on **Thursday, September 9** and will continue up until the class starts. Registration by telephone is accepted with Visa or MasterCard.

Registration Drop Off will not be accepted for this term as the building will remain closed until we open the cafeteria for breakfast and lunch on **September 13**.

Wait Lists If the program you wish to register in is full, you can be added to a "wait list".

When registering in person you will be added to the wait list but not charged for the class. If you register online and the program is already full the online system

You belong here

automatically puts you on the wait list without charge. If there is a cancellation, we will contact you with the option to join the program. Our system tracks names in the order they were received so you will be contacted in the order you registered.

Sometimes changes need to be made....Program dates, times, fees, and instructors are subject to change. Check our website at www.seesa.ca for any changes or program updates made after publication of this Program Guide.

DROP IN CLASSES

You can now try a new program or choose to only attend some of the non-progressive classes with our **drop in** option. This option is for those who may not be available to take the entire session but still want the option of attending a fitness class when they can. Call the centre to ensure there is room in the class prior to showing up.

Please **pay at the Front Desk BEFORE** heading to the class. Show your receipt to the instructor who will record your name and the receipt number on the attendance sheet. It's that easy to give a new class a try. Remember – check the program guide to ensure the class you want to attend offers drop in.

Please see the enclosed Participation Options page for member and non-member pricing for online and onsite classes and all clubs. Watch for a later release for which classes will be accepting drop in.

PAYMENT

Online, Front Desk, Registration Drop Off How do I make sure my payment gets applied?

After registration day, payment can be made **at our Front Desk** when you register in person or over the phone. We accept cash, cheque, debit card, Visa or Mastercard.

Our **Online System** is supported by PayPal so making your payment when you register online is as simple as paying in person.

You are not considered registered for the class until payment is processed.

REFUNDS AND TRANSFERS

Class cancellations are determined by the number of people who register prior to the program starting and may be **cancelled or altered if minimums are not met**. You can help **prevent cancellations of your class** by registering before the class starts. Participants will be called **if a class is cancelled**. If the instructor cancels, every attempt will be made to notify participants with as much notice as possible.

What if I can't take the class after I register—can I get my money back?

Refunds will not be issued to any participant who withdraws from a program of their own volition, however, if you have **an injury or other medical reasons**, and can't attend the class you've registered for, please submit in writing to the Program Coordinator the reason you are asking for a refund and we may be able to refund the remaining portion of the class. We may ask for a doctors note specifying the reason you cannot attend the class.

What if I registered for a class I no longer want to take and would like to transfer?

Transferring from one class to another can be requested but only if the class is not full. All transfers will be subject to a \$10 administration fee. Ensure you have picked the right class for your schedule to avoid the extra fees.

MEMBERSHIP

At what age can I become an active member of SEESA?

Memberships are available **for people 55 years age and older for \$30 per calendar year** (January–December).

Note: Membership fees are non refundable, transferable or pro-rated.

COVID GUIDELINES

COVID has become a part of our lives. As a community, we will need to learn to live with this reality. Our first and foremost concern is for everyone's safety.

Given the current rise in variant COVID cases, SEESA is temporarily mandating mask wearing for everyone who enters the SEESA facility. We strongly encourage everyone, no matter what they are doing at SEESA, to sanitize often and practice social distancing whenever possible.

The following are guidelines we will follow to ensure we are doing our best to keep our participants, guests, volunteers and staff as safe as possible. This is the responsibility of all who come through the doors of our centre.

- COVID screening posters have been put up all around the building. If you have any of the symptoms or have been in contact with anyone that has tested positive for COVID please stay home.
- Everyone is required to wear a mask, sanitize often and practice social distancing whenever and wherever possible. All attendees, including staff and volunteers, will wear a mask or face covering when in the building.
- Exceptions will be allowed for attendees that provide a City of Edmonton Exemption card or doctors note.
- If an attendee is not exempt and refuses to wear a mask or face covering, the person will be asked to leave the premises.
- When attending high activity classes, wear your mask or face covering for as long as possible but take a break if you need to by pulling your mask or face covering down to catch your breath. Once you have your breath back please put your mask or face covering back on.
- Masks or face coverings must be worn to cover both the nose and mouth and should fit snugly.

You belong here

- The procedure to put a mask on is to sanitize hands and then put the mask on. The procedure to take a mask off is to sanitize hands, take the mask off and sanitize again. Wash reusable masks after each use.
- Disposable masks must be put into the garbage after each use.
- This is a temporary measure until further notice. We are not requiring proof of vaccination at this time.

Hand Washing

- Members will be expected to use hand sanitizer as they enter the building.
- Please wash your hands or use hand sanitizer BEFORE you enter the class area and as you leave.

Information About Returning to Classes

- SEESA equipment will no longer be available during fitness and yoga programming at the centre. Please bring your personal equipment for each class.
- The following items can be used in place of standard fitness equipment, should you require it:
 - ✓ Hand weights – water bottles, socks filled with beans, soup cans
 - ✓ Therabands – Cut off panty hose
 - ✓ Wands – Yard sticks, broom sticks
 - ✓ Bender Balls – Small cushions

Steps for Attending a Class

Step 1 – GO DIRECTLY TO YOUR ACTIVITY

We are limited as to the number of people allowed in each area. This means you must go directly to the room your activity is in. Continue practicing social distancing in all areas and classrooms.

You belong here

Step 2 – USE THE SANITIZER

Each room has a sanitizer dispenser that you can use to sanitize your hands prior to your activity starting. We suggest you sanitize as you enter the room prior to touching any surfaces and then again as you exit the room.

Step 3 – HAVE FUN

Our team has worked hard to get to this point where we can reopen our centre. We are all excited to be back and we hope you are too!

Step 4 – HELP US CLEAN AFTER YOUR ACTIVITY

Please lend a hand after your class to make sure we can get things clean and ready for the next one by:

- Wipe down all touched surfaces with the cleaner and cloth provided. We will collect the cloths and have clean ones available for the next group.
- Wipe it dry and do not touch the surface again with your hands.

If we all pitch in to work together, our centre will stay clean and we will all stay safe and healthy!

Step 5 – GO DIRECTLY TO YOUR NEXT ACTIVITY, BATHROOM OR THE EXIT

Please help us to move traffic through our building by going to your area as soon as possible.

Step 6 – DO NOT LINGER WHEN YOU LEAVE

Please do not linger in the classrooms or hallways when you are finished your activity. If you want the opportunity to visit with your friends please consider stopping in the café to visit. This is to help us ensure we are meeting all guidelines.

Art Classes

These classes provide an opportunity to develop your skills in the arts while having fun!

Acrylic Painting

All stages of artists are welcome to this “not so serious” acrylics art class. Lori’s teaching style is individually tailored, one on one, to your skills and to the style or technique for each painting. She provides guidance and suggestions every step of the way, or as needed for every painting that you create. For the first class she will provide photos of a recommended piece for you. Moving forward she encourages you to bring printed photos of what you would like to paint, and she will also provide recommendations. She will mentor you along the way. Her goal as a teacher is to help you to experiment, grow, take risks, make mistakes, learn the rules, then to break them; and most of all to gain the skills and confidence to paint while having fun and making friends along the way.

Physical Fitness Classes

Soft Pilates

Pilates combines strengthening movements with a focus on full, functional breath work. It improves core stability, prevents and relieves back and joint pain, and increases range of motion, while reducing stress. Kate's classes focus on proper alignment and safe execution of movement, finding proper sequencing in the body. This is a level 2 class, with a slightly quicker pace, for those with a bit of Pilates experience.
